R 5 Sales per Grade: We wanted to reach out and share an exciting initiative we're planning at DVZ. We have organised special sales days for grades 4 to 7. On these designated dates for each grade, (Grade 5 on 24 Feb, Grade 4 on 3 March, Grade 7 on 13 March, and Grade 6 on 17 March) we kindly request donations from parents in the form of edible items. These donations will be sold to the learners at a nominal price of R5 per item. We will not operate the tuck shop on these four specific days. Instead, we will rely on the generous contributions from parents of the grade in question. Educators of the specific grade will manage the sales. We kindly ask that the donations be in the form of edible items suitable for sale. Your child is encouraged to bring these items on the allocated day for their grade.

As a token of our appreciation, if your child brings donations on the designated day, they will be allowed to wear civvies for free.

Your support in this endeavour is invaluable, and we genuinely appreciate your contributions. Together, we can make these sales days a great success and provide our learners with an enjoyable experience. Thank you in advance for your cooperation and generosity.

Best regards,

Mrs W. Blake (Principal)
