Important reminders: No School and aftercare on the following days:

- **Public holidays:** 27 April, 01 May, 16 June
- **Special school holiday:** 15 June
- **Ascension Day, 14 May 2026:** Please take note that De Vrije Zee Primary School and aftercare will be closed on this day.

A reminder about the academic meetings: (Attendance registers will be kept of these meetings.)**Grade 6 Parents/legal guardians and learners**

Date: 16 April 2026

Time: 17:30

Grade 7 Parents/legal guardians and learners

Date: 23 April 2026

Time: 17:30

Grade

6 and 7 parents, legal guardians and learners: Your attendance is strongly encouraged and highly recommended.

Please note that **WCED online admissions close on 14 April 2026**. The District Office has informed us that a number of **Grade 7 learners have not yet applied**. We urge you to attend to this matter as a priority.

R 5 Sales per Grade: We have organised special sales days for grades 4 to 7. On these designated dates for each grade, we kindly request donations from parents in the form of edible items. These donations will be sold to the learners at a nominal price of R5 per item. We will not operate the tuck shop on these four specific days. Instead, we will rely on the generous contributions. Educators of the specific grade will manage the sales. We kindly ask that the donations be in the form of edible items suitable for sale. Your child is encouraged to bring these items on the allocated day for their grade. As a token of our appreciation, if your child brings donations on the designated day, they will be allowed to wear civvies for free. Your support in this endeavour is invaluable. Thank you in advance for your cooperation and generosity.

Our moral value for this month: Care means showing kindness, concern, and compassion towards others by helping, supporting, and treating them with respect. On Friday, **24 April 2026**, the whole school will have a free civvy day. All learners are encouraged to wear something **blue**. On this day, we will support **Autism Awareness Month**. By wearing blue, we aim to show that we care, spread kindness, raise awareness, and promote inclusion within our school community. We will show care towards our “fur babies” in need with the civvy money that will be raised on **30 April**

2026. Let's stand together and make a difference! ♥

Kind regards,
Mrs Blake
